

## ENDURANCE WORLDWIDE REINSURANCE

Endurance Worldwide Reinsurance underwrites property, catastrophe, casualty, aerospace and marine, surety, agriculture and other specialty lines of reinsurance. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

# Marine Reinsurance

---

## Overview

Endurance offers traditional and specialized reinsurance products to the marine marketplace with a focus on hull, cargo, liability and other specialized marine lines. We endeavor to gain a deep understanding of each client's business in order to deliver an optimum and customized reinsurance solution that best fits the client's reinsurance needs.

Products include both proportional and non-proportional programs.

## Coverage Features

### TARGET CLASSES

Endurance seeks to work with marine insurers with whom we have an existing relationship or a material developing relationship within the context of our account management strategy. Our underwriting teams work with brokers and clients worldwide and look to work in partnership with clients who have a proven track record with effective business processes driving their underwriting, pricing, risk management and claims activities.
