

## ENDURANCE WORLDWIDE REINSURANCE

Endurance Worldwide Reinsurance underwrites property, catastrophe, casualty, aerospace and marine, surety, agriculture and other specialty lines of reinsurance. Our account management approach enables us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios, supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

## Workers' Compensation and Employers' Liability Reinsurance

---

Endurance's Workers' Compensation segment focuses on traditional working layer workers' compensation and employers' liability coverage. We underwrite on both an excess of loss and proportional basis and coverage is typically provided per person/per occurrence.

We provide significant capacity and look to partner with companies who possess superior underwriting expertise, exceptional claims handling capabilities and effective information technology to drive their results.

Our target companies consist of specialty operations that focus on small to medium size business in low severity classes, national and regional companies and state funds.
