

ENDURANCE RISK SOLUTIONS – U.S.

Leveraging relationships with national retail brokers, Endurance Risk Solutions focuses on large accounts with sophisticated risk management practices and high retention limits.

We offer specialized solutions in the following product lines:

- Healthcare Liability
- Professional / Management Liability
- Excess Casualty

Healthcare Liability Insurance – U.S.

Endurance's U.S. Healthcare Liability practice offers a range of specialized excess professional liability products to community based hospitals as well as large physicians' groups.

We are committed to the healthcare industry and our team is backed by decades of experience with brokerages as well as carriers. Our healthcare experts work closely with brokers and clients to gain in-depth knowledge of their risk profiles so that the solutions we develop and deliver are customized to their specific and ever-changing risk management needs. We also work closely with our Management Liability Practice to offer healthcare D&O coverage as well as other financial products.

Endurance's Healthcare Practice is recognized for our Risk Mitigation Recognition program which is unique in its utilization of external evaluation criteria. Similarly, our underwriting approach tailors each client program based on quality and patient safety investment as well as venue, services, and loss experience.
